

The Bideawee ENewsletter: May, 2007 -- Spring Events and More

Dear Friend of Bideawee:

With spring in full bloom, we're keeping it short in this Spring enewsletter, as we know there are balls to chase, things to see, places to go, and things to do. As always, we thank you for your kindness and **support**.

"Fitness with Fido," On Saturday, May 12, 2007, you are invited to join us for the launch of Fitness with Fido, a free weekly opportunity for you and your dog to exercise together along with Bideawee trainers, veterinarians, volunteers and adoptable dogs.

Meet other dogs and their pet parents while taking steps to a healthier lifestyle.

All are welcome. Your pooch will thank you!

In Manhattan, meet us on Saturday, May 12 at 10 am at the 60th Street and Fifth Avenue entrance to Central Park. Our special guests include celebrity dog trainer Bash Dibra and Eric von Frohlich, founder of RoadFit.

In Westhampton, meet us on Saturday, May 12 at 9:30 am, at the Gazebo/Village Green on Main Street.

In Wantagh ... we're working on the time and place.

It's just a walk in the park!

Do You Have a Place for Jeffrey? This five-month-old Beagle mix, born on the Island of American Samoa, was rescued by Bideawee's chief vet, Dr. Robin Brennen, who was doing a free spay and neuter tour when she found him tied up in an auto body repair shop lot, covered in tar and suffering from malnutrition.

Today, thanks to Bideawee's medical care, plus the love and kindness of staff and volunteers, Jeffrey is ready for adoption to a special home where his new family can make sure treatment for his health issues is completed.

Read more about Jeffrey and Bideawee's Dr. Brennen **here**.

If you think you might be the right adopter for Jeffrey, please call Bideawee's Manhattan Adoption Center: (212)532.4455.

Support Bideawee: Your kindness and support make it possible for Bideawee to do the work we do. Your generosity is much appreciated. **Donate** now.

Pet Appreciation Day: Wantagh, June 9 ... and All Our Spring Events: The warm weather brings so many things to do outside ... and Bideawee has special events coming up that are fun for the whole family.

> "Pet Appreciation Day" in Wantagh is on June 9th, from Noon to 3:00 PM. KJOY Radio will be there, doing live remotes and giving out prizes. Activities include: Contests (Best Costume, Best Trick, Best Kisser, Most Amazing 1-minute story about your pet), Demonstrations and Information (Ask the Trainer table, information on pet health, and more), an Agility contest, an Alumni Parade, Refreshments, Vendors, and more. Rain date: Sunday, June 10th.

> "Pets in the Park" on the campus of SUNY Farmingdale, is two days of fun at Farmingdale State University, on Saturday, June 16 and Sunday, June 17th, from 11am to 4pm. Bideawee will be a featured participant at the event, hosted by radio stations WBAB 102.3 and WBLI 106.1. If you bring your pets, they must be leashed, or in carriers, and up to-date on shots.

Featured Pet: Who is today's Featured Pet? We have so many wonderful friends who need kind, loving forever homes. To see today's special friend, click [here](#).

Pet Tip: Unless you are a professional animal breeder, please have your pets spayed or neutered. These procedures will help your pets live longer, healthier lives. They will also eliminate unwanted and unplanned litters of kittens and puppies. Millions of unadopted spring puppies and kittens have to be destroyed by overburdened animal shelters every year.

If you now receive the print version of the Bide-a-Wee newsletter, you can help us help pets in need by choosing to read it online instead. Send email with your street address to onlineonly@bideawee.org and we will change your subscription.
