

Bideawee, one of the nation's oldest humane organizations, welcomed Friday, canine star of "Hotel for Dogs," to Bideawee's Manhattan location at 410 East 38th Street on January 13. Friday and his trainer, Mark Forbes, visited Bideawee to promote the adoption of Friday's fellow dogs that are in need of adoption. Mark spoke on behalf of Friday as they came to the Bideawee shelter to talk about how important adoption is for homeless animals. "Hotel for Dogs," (Dreamworks) to be released on Friday, tells the story of the perpetually hungry dog Friday and Bruce (Jake T. Austin), who move into a house that has a strict no-pets policy.
