New York, NY- February 21, 2008- Should McCain's, or Hillary's or Obama's dog enter the White house? Bideawee, one of the nation's oldest humane organizations is holding a First Pet debate on Bideawee's web site at www.bideawee.org. Democrat Alan Colmes, co-host of television's Hannity & Colmes and host of radio's The Alan Colmes Show and republican Monica Crowley, nationally syndicated radio host and panelist on television's The McLaughlin Group bring you the "scoop" on the candidates, the controversy, and the dog and cat fights in this historical First Pet Race of 2008. They're from the opposite sides of the political spectrum but the same side of the family tree (Alan is married to Monica's sister).

Visitors of www.bideawee.org can join the ongoing, heated debate and also vote for their favorite canine candidates. The race for First Pet has been dogged with controversy already, but choose the candidate with the willingness to change the same old litter box- the candidate that will take a "fresh step" forward.
