

Learn how to help feral and stray community cats in your area!

Certified TNR Caretakers in NYC are eligible for many services provided by the NYC Feral Cat Initiative of the Mayor's Alliance for NYC's Animals, the ASPCA, and other area organizations:

- Free & low-cost spay/neuter
- Free trap loans
- Free transportation for cats and traps
- Free specialty training workshops
- And more!

Learn the basics of TNR and colony care in this hands-on workshop designed by Alley Cat Allies, the ASPCA, and the Mayor's Alliance for NYC's Animals. In this workshop, you will:

- Learn about feral cats, their history and behavior
- Learn the steps of humane trapping and pre- and post-spay/neuter surgery care with the help of video and live demonstrations
- Practice using a box trap and divider for trapping and in-trap care
- Learn the basics of caring for a cat colony
- Learn how to build good relationships with neighbors throughout the TNR process and how to help the cats be good neighbors
- Attendees will become Certified TNR Caretakers and receive our comprehensive handbook, the *Guide to Trap-Neuter-Return (TNR) and Colony Care*.
